MYSORE DISTRICT.

Notice dated 4th March 1911.

It is hereby notified for general information that a Cattle Show in connection with Sri Narasimhaswami Rathotsavam at Maddur in the Mandya Taluk will be held on the 19th and 20th April 1911 and that the prizes mentioned hereunder will be given to the best cattle and that a fee of one anna will be levied on every head of cattle assembling on the occasion.

Dr. Leslie Coleman, Mycologist and Entomologist to the Government of Mysore, has kindly consented to exhibit agricultural implements and machinery and to deliver popular lectures in connection with them at the Show.

Arrangements will be made to sell fodder at moderate rates near the Show grounds.

Further information may be obtained from the Taluk Amildar.

Details of prizes:—

Two prizes of Rs. 10 each=Rs.	20.
Six prizes of Rs. 5 each=Rs.	30.
Total	50

A. V. RAMANATHAN,
For *Deputy Commissioner.*

KOLAR DIVISION.

Notice.

It is hereby notified that a sum of Rs. 36-8-3 (Rupees thirty-six, annas eight and pies three) being the amount due to Kandasami Mudaliar, for repairs executed by him to the circuit house on Kolar Gold Fields, has been outstanding in the books of this office since June 1908. If within a period of three months from the date of the first appearance of this notice in the Gazette, Kandasami Mudaliar, or his legal representative, fails to claim the amount, it will be credited to Government and any claim thereof will not be entertained after that date.

Notification dated 3rd March 1911.

The attention of the public is invited to the Notification in the Gazette, dated 3rd March 1911, calling for tenders for the work of improving the Civil Hospital at Kolar.

B. B. GARUDACHARYA,
Executive Engineer.

SANITARY DIVISION.

Dated 8th March 1911.

Notice is hereby given that sealed tenders will be received at the office of the Sanitary Engineer, Sanitary Division, up to end of 25th March 1911, for diverting the drainage of Basavangudi Extension to Kempambudi Tank. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1911.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 12 to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees four hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for diverting the drainage of Basavangudi Extension," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
